 MAKAHA - WAIANAE, HI 96792

I am a Hawaii State and U.S. Citizen and taxpayer.

In 1988 the U.S. Parks, Hawaii State or O.H.A. lava flows hit my mango in Kalapana Gardens lot #315.

It destroyed my lot, mango, vine, liliquoy, roads, water, electricity, parks, etc., giving me stress, anxiety, trauma, cumulative trauma, and more depression and subconscious depression. } BACK HUC

Cumulative trauma in addition to that I have been receiving since 1971 when on or about December 14, 1971, the Washington State Department of Transportation violated the Fifth Amendment of the U.S. Constitution, the right of reasonable compensation for private property, by offering us \$50.00 for one-hundred fifty (150) feet of timbered Washougal River Waterfront property, Washougal, Clark County, Washington.

In the attempted illegal condemnation, I was hospitalized several times, resulting in the loss of my position, job, income, retirement, life and health insurance, wife, house, building lots, cars and trucks, and my dog Muffy. She accidentally strangled herself while I was in a hospital.

In 1988 U.S.F.E.M.A. (Federal Emergency Management Agency) breached its promise of 18 months temporary housing as a lava disaster victim as per 1990-00504 U.S. District Court a timely filed complaint unheard and appealed.

In 1988 I was falsely arrested, kidnapped and held hostage for 30 days in Hawaii State Hospital, Kaneohe, forced to take drugs against my will, no right to refuse drugs in violation of the law, Haldol, a tardive dyskinesia causing drug, forced to buy a \$680.00 air ticket to the State of Washington then acquitted, provided a public defender only on the last day. More cumulative trauma, lost time, and wages.

Shortly after 1988 my motor home was towed by Keehi Small Boat Harbormaster and Honolulu Police Department then acquitted. I lost the \$10,000.00 motorhome, \$1,200.00 worth of insurance, \$120.00 license registration, \$10.00 safety inspection, and \$10.00 title transfer. Acquitted but not returned.

1988-1995- Discrimination by Hawaii Housing Authority. I was told there was a two year wait period. It lasted 6 years, they then terminated me and said now it is a three year wait period.

I want for partial compensation a fee simple Ilikai Apartment 1-bedroom 1-bath or a penthouse with reserves to rebuild if necessary. Also all utilities and security paid in full for my lifetime and that of my children. } major Washougal River House Back
